David Calhoun

"...But as for me and my house, we will serve the Lord."

Looking back on 2023, it was a busy yet wonderful year! The Angel Tree Christmas party was truly a delight with all of the families attending to fellowship with us and receive their gifts. A huge "thank you" to Scott, the outreach team, and the women's group for collaborating on this big event. Moving ahead to 2024, it is exciting to see many new faces getting involved with serving God's church.

As we continue to establish ourselves as an independent Methodist Church, you'll have an opportunity to get updated on the State of the Church at our 1st Annual State of the Church Business meeting on February 11th. Your voice will be heard as a member of WMC as the floor is opened for questions, voting on several church issues, and receiving updates on the church's budget and goals moving into the new year.

As for me, I'll be stepping back a bit to allow for others to step in to lead and grow within the spirit of Christ here at WMC. As Paul explained, the church is like a human body.

It is one individual organism made up of many different parts that serve a wide variety of functions. (1 Cor. 12:12-31) You are never too old or too young...see David (above) helping greet and pass out bulletins...to serve God within in the church and the community! May God bless you in this new year! - JR
