“Cast all your anxiety on Him because he cares for you.” | Peter 5:7

The first signs of spring are upon us and things are not slowing down here at church. There has been a flurry of spring cleaning and organizing happening both inside and out. We also have a fresh, new spacious look after taking the big, old tree down in the parking lot. I have to admit that it has taken a little getting used to because I rather liked the old tree regardless of the fact it dropped a huge branch on my truck awhile back. I was told that regardless of how it looked on the outside it was dying on the inside and needed to come down.

How many times have we felt like this tree? We seem happy to those that see us from the outside, when really, we are dying on the inside. We don't have to shoulder the burdens of life alone and all that eats away at us from the inside. The Bible tells us to cast our burden on the Lord, and He shall sustain us. God is glad to shoulder your burdens and give you the daily strength you need, so that you can be healthy and vibrant from the inside out! This spring, let's grow and blossom in the Lord! - JR

Do you have old flannel shirts, flannel sheets or flannel pillow cases?

Please consider donating them to the women's group for an upcoming mission outreach project they will be working on. Flannel donations can be given to Jen or left on the back pew of the sanctuary. Thank you!!

MEMORIAL EASTER LILIES

Each Easter the altar is adorned with beautiful Easter lilies. These lilies are purchased by church patrons in honor of loved ones who have passed away. After the Easter worship services, those that purchased lilies are welcome to take them home. Memorial cards will be available to fill out with the name of your loved one. These cards must be turned in by March 27 to have your loved one's name included in the Easter service. Easter lilies can be dropped off between March 24 - March 31.

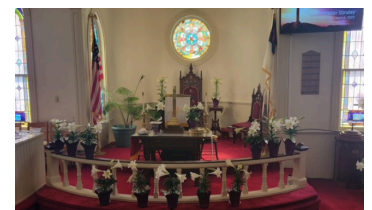

WHALEYVILLE METHODIST WOMEN'S GROUP Spring Plant Sale

Flowers will be available for sale in the beginning of May.

Last year we sold Marigolds, Portulacas, Lantanas, Begonias, and Impatiens and sold out quickly. The plant quality was outstanding!

Please plan on purchasing your summer flowers from the women's group to help fund their fall outreach initiatives. Information on pre-sale plant purchases will come out in April.

Taking Down the Parking Lot Tree...

Aside from some water line issues, a job well done!
