Food Pantry Dedication
February 23, 2025

"Feed the Need"

Looking at these snow laden pictures, it's hard to believe that the day we dedicated the new WMC Non-Perishable Food Pantry, it was actually 60 degrees! What a blessing it was to pray over this new endeavor and stock the pantry with food and Bibles for the community. As one part of the new Community Kitchen Ministry, we are looking for donations of non-perishable food items to keep the food pantry stocked. We will be having food collections throughout the year and encouraging people to bring in donated canned goods when they come to the community breakfasts or pasta dinners. Whether physically or spiritually, we are hoping to "Feed the Need" here in Whaleyville. If you have ideas on how this ministry can grow and serve the community, please consider joining the team! -JR

Stocking the Pantry

This new ministry is aimed at helping to feed those locally in need through the non-perishable food pantry out front and other food distribution initiatives. If you are interested in being a part of this budding ministry or have ideas to share, please let Jen know. Check the bulletin for upcoming CK meeting dates and service opportunities.
