The Joy of Community

There is a joy in the air at WMC! What a blessing it was to be able to come together with our neighbors in the community to experience the excitement and anticipation in the children waiting to hunt for Easter eggs! Another glorious morning came by way of God providing a beautifully painted sky during our Easter Sunrise service. What a joy it is to be alive and celebrate our risen Savior!

The CK Ministry has supplied several meals to Jennifer Bolding of Cruisin' to Help the Homeless who has taken these meals out to feed those in need. The CK team is planning some upcoming opportunities by coordinating with ForKids in Suffolk to pass out hot meals at their food pantry. They are also looking to prep some freezer meals to have ready for when local neighbors request help with meals via local community social media pages. If you are interested in being a part of this new ministry, please let Jen know.

CONGRATULATIONS GEORGE!

Congratulations goes to George Rennie who recently graduated from Brevard College with his Bachelors in Communications majoring in Sports Media. George has accepted a full time position at the college as an Admissions Counselor while pursuing a Masters Degree in Communications. George started his first two years of college at Wingate University before transferring to Brevard to play football and continue his Communications degree.

George graduated Summa Cum Laude with a 4.0 GPA and many achievement awards including: Induction into the Communications Honor Society, the Communications Leadership Award 2024, Outstanding Work Study of the Year, Outstanding Podcast, Student Spirit Sweezy Award, Academic All-District Team, and the Communications Legacy award. This award was created in George's honor and will be given each year to Communications' students who demonstrate outstanding service in the Communications Department. Being a new department at this school, George worked closely with the Communications Director and was an integral part of getting this new department up and running. Way to go, George!

George has been a member of Whaleyville Methodist Church for 17 years participating in Children's Sunday School, Helping Hands Mission & Youth Retreats, and Karate for Christ while also serving as an usher and liturgist during worship. George was confirmed here by Pastor Jack Meservey and received the Branton Memorial Scholarship from 2021-2024.

George, your church family loves you, misses you, and are so proud of your accomplishments and the hard-working young man that you have become. May God continue to guide your journey as you move forward into this next chapter of your life.
